MONTEZUMA'S
the taste of mexico™

A.D. 141X MXXDLV.

Your Majesty Queen Isabella of Spain,

The siege was successful upon Montezuma. When entering we were overcome by the inspiring decor, the colours of the gardens & rooms filled with golden trinkets & treasures. But the most impressive was the food of the Aztecs. The delicate but tasty flavours were indeed pleasing. It was a great feast which was laid before us. We ate our fill & drank the best of wine. We have indeed found the true treasures of the new land.

Hernando Cortez, Conquistadore
